The Great Barrier Reef

Michelle Maloney, Chairperson, EDO Queensland
National Convenor, Australian Earth Laws Alliance
Permanent Tribunal of the Rights of Nature and Mother Earth
Open cut coal mine
Coal ports

- Gladstone Harbour
  - Previously a place of significant beauty
  - Today
    - Fourth largest coal port in the world
    - Dredging has caused toxicity “fishing banned for 3 weeks after barramundi and bream found with sores, rashes, infected eyes” (2011)
    - Headed for expansion into Fitzroy Delta and Keppel Bay

ABC News
Untouched delta vs.

- Port Curtis/
- Gladstone
What’s at risk?
